Resurrection Children's Choir

Children interested in choir should come to practice on
Wednesday, September 20th after school (3 p.m.). Please use
the parking lot entrance to the upper church. Please bring a
folder for your music.

You should be able to attend regular choir rehearsals every
Wednesday afternoon from 3-4 p.m. as well as masses and
special events listed on the back of this permission form.

Please return this permission form to the school office on or before the day you will meet for our parish choir.

My child, _____, who is in grade _____, has my
permission to meet regarding the Resurrection Of Our Lord Children's Choir. I understand that practice will be held
once a week after school. I also understand if my child misses practices or performances more than three times, he/
she will be unable to participate in choir.
