Registration for 2018-2019

We have already received many Intent to Return Forms as well as Re-Registration papers. If you have not already returned these forms, please do so as soon as possible and remember to send in your Re-Registration Fee along with your Re-Registration Form. Your registration is not complete unless the form comes in with the money.

New Student Registration is continuing for the 2018-2019 school year by appointment only. Be aware that PreK and K are filling up quickly so if you are planning to register another child or have friends or families who wish to register, please encourage them to do so as soon as possible.

Safety Procedures

The safety of your child is always a top priority for us here at Resurrection Regional. Please be aware that, in light of the recent tragedy in Florida, we have met as a faculty to review our safety procedures and will be conducting various drills (shelter in place, lockdown, etc.) more frequently both in the classroom and as a school community. Please do not be alarmed if your child comes home and says they had to “hide in the classroom today.” That is all part of our drills and practicing various scenarios.

Pretzel Order

There will be 19 days for pretzels in April (4/3 through 4/27) at a cost of **\$7.60**. **Please send in the exact amount by Thursday, March 22. No change will be returned.** If you have more than one child, each child must return a separate form. You may return the total amount of money with the oldest child but please make a note of the payment on each child’s order form. Forms can be downloaded from the FORMS link on the school website.

Update on Ms. Bernadette Galanti

Ms. Galanti has been a trooper all year dealing with her medical issues. Now that her appearance has changed, the children are beginning to figure out that her condition is serious and are asking questions about her. She now feels it is necessary to explain what she has been dealing with all year and has asked us to place the following message in News and Notes.

My Dear Friends, Students and Parents,

In August I was diagnosed with Stage 4 pancreatic cancer. I made the decision to begin chemotherapy immediately and keep my condition from the children so they would not worry about me. I have had my ups and downs and, thanks to all your prayers and support, I am doing okay. They recently changed my chemotherapy which has resulted in my losing my hair and other side effects which I am sure your children have mentioned. Be assured that I will continue to be at school and work with your children throughout my illness as long as I am physically able to do so. In fact, it is your children that have kept me going and I so look forward to our Spring Show, the Wizard of Oz! Please keep me in your prayers for I believe in miracles and prayer is the means to one. Gratefully, Ms. Galanti

Alumni News

The Northeast Times Sports Editor, Joe Mason, wrote a great article about Jules Gura, Resurrection Class of 2014, in the March 7, 2018 edition. <https://northeasttimes.com/basils-captain-getting-most-out-of-senior-year-3145833cd45f> In the fall, Jules led the soccer team to a state championship.
